## **REACH COMPLIANCE DECLARATION**

MAC Valves, Inc. (“MAC”) is a global manufacturing leader in pneumatic and fluid valves, proportional valves, flow controls, regulators and related products associated with industrial automation and fluid power controlled devices. MAC qualifies as an Article Supplier. MAC is, therefore, considered a “downstream user” for purposes of REACH (Registration, Evaluation, Authorization and Restriction of Chemicals) documentation.

Based on information obtained from our suppliers, we declare that none of the Substances of Very High Concern (SVHC) as listed by the European Chemical Agency (ECHA), including the newly added substances on July 8, 2021 is present in our products in quantities totaling in a concentration equal or above 0.1%

For more information on REACH and SVHCs visit <https://echa.europa.eu/candidate-list-table>

A handwritten signature in black ink, appearing to read "JCR", with a long horizontal flourish extending to the right.

Joseph C. Richardson  
Vice President of Sales
