Dear Valued MAC Valves Customer,

We are writing to inform you that Air Hydro Power has made the decision to withdraw from distributing MAC valves in your area. In response, we are pleased to announce that AdamsCorp South will now be representing MAC Valves, Inc. in Alabama.

AdamsCorp South, headquartered in Tampa, Florida, is an experienced industrial automation supplier and one of our largest global distributors. Adams has been in business since 1960 and has recently transitioned to third generation family ownership. Adams has been a MAC distributor since 1967. Adams has the expertise and inventory to service all of your MAC valve requirements. As with their other business units, Adams will have a local footprint in Alabama with account managers in all major markets. Further information regarding Adams and the services they provide visit: www.adamscorp.com

If I can answer any questions, please email me at joseph.richardson@macvalves.com or call me at (248) 624-7700 ext. 318. Otherwise, feel free to contact your new distributor, Adams Corp South at 205-900-2099 or email them at Sales@adamscorp.com

Thank you for your business and we look forward servicing your needs.

Sincerely,

A handwritten signature in black ink, appearing to read 'JCR', with a long horizontal flourish extending to the right.

Joseph C. Richardson
Vice President of Sales
MAC Valves, Inc.
